March 7, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: An application has been made by the Cotton Garment Code Authority, on behalf of the Association of Cotton Garment & Sleeping Garment Manufacturers for the deletion of Section 46, Schedule H of Article XIX of the Code of Fair Competition for the Cotton Garment Industry.

On January 19, 1935 a Notice of Opportunity to be Heard was published requesting that any criticisms of, objections to or suggestions concerning said Amendment be submitted prior to Friday, February 8, 1935.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said Amendment having found as herein set forth and on the basis of all proceedings in this matter;

The National Industrial Recovery Board finds that—

(a) The Amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate Governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said Amendment on behalf of the aforementioned division of the industry.

(d) The Amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The Amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Amendment.

For those reasons this Amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

MARCH 7, 1935.
